Some people may know this story, which includes Kelly. His Aunts, Betty and Alice, were the MATCH MAKERS of Licking Valley. Betty and Alice set up an introduction between Shaun Strahm and I at a Licking Valley Football game. Shaun and I fell in love at that football game. Well, my future mother-in-law, Ethel Strahm was good friends with Doris Barrick, who was Betty's and Alice's mother and Kelly's grandmother. I think that Shaun told his mom that we were going on a walk in BLACKHAND GORGE. So, either Betty and Alice or Doris got the news that Shaun and I were going on a date in BLACKHAND GORGE. So, Kelly was dispatched to look for Miss McBride and Shaun Strahm! I heard that Kelly drove over to Black Hand Gorge to look for us. Shaun and I only saw "stars!" We never saw Kelly! I worked with Kelly at the Courthouse. I always enjoyed his stories and smile. He was so dedicated to his job and showed kindness in great capacity toward their process. What I loved most was his ability to remember you and your life. He would stop at my house on the way to his brothers and we would visit as if I just saw him the day prior. We talked about his family and of course how our beloved dogs were. Licking county has truly lost an incredible man. He loved his wife so much and his daughter he couldn't be more proud..my heart aches for you and the family..God Bless.

The smile, the laughs, the conversations about many different things, and the connection to family roots are all part of what made Kelly a great man! From the time we gathered down in Toboso to the times that we would only see each other at family gatherings, we could catch up where we left off. Ronnie and Betty, you have been model parents for all of us inside and outside of the Miller family to see. The man that God called home was the best of both of you. Jeannie, Emily, Kyle, your hearts are bigger and your life is better from being loved by Kelly. May all of these memories hold you, hug you and keep you during this time of transition.
