Bea Smith was fun to be around. I can remember planting petunias out front of her house. So every time I plant petunias I think of this most beautiful lady the beautiful flowers that we planted together. Rest in peace my beautiful Bea Smith. I'll be planting petunias soon in remembrance of you. Dear family she was such a wonderful lady. May God bless you all. Joann Blevins

My cousin Bea was an elegant and kind woman who loved to cook and make sure people were fed at her house. She was more than a cousin to me; she and I were intuitively connected. I loved going to church with her and Gene on the weekends I would visit. She was loved by all of our family. I was happy to say goodbye to her just hours before she passed into the white light of heaven to be with Gene. I will always remember her smile and sense of humor, as we watched butterflies, hummingbirds and flowers grow. Blessings and prayers for friend Mary Ryan (thank you for all you have done) and family and friends.
