I had the pleasure of meeting Kellie at Good Samaritan Hospital. I remember the first day I ever met her. We met and did nothing but start laughing and laughing. She would come in and I was training her. We would just giggle. She was the sweetest spirit I ever known. We had the best times together. If I ever had a bad moment and she knew it she did the cheering up. Well I would do it for her, If she needed cheering up too. But if you ever knew her truly you know she was a good person and would do anything for you. If you needed a hug or a smile or laugh. There she was. We would talk and say go Newark and laugh about the football team . We wanted them to beat Zanesville. Usually Zanesville won. We would laugh and laugh. Oh well I love you Kellie and you know how to make people happy and you made me a Happy Person and a Lucky Person to have met you. God Bless your family and all they are going through. I was just remembering how loving and how much fun we had with Kellie at work. Please fly high with the angels Kellie you earned your wings. Love you.
