I would like to personally extend my condolences to the Bales Family. I remember Dean from Conn's. I would go with my dad on Saturdays to help load the route truck's . Dean always had that million dollar smile and a kind word for everyone, as well as some good natured kidding. Thank's Dean for your great representation of the Conn's brand and your part in it's success . James David McGee Jr Wesley Chapel Florida

Patty and "the girls"...Dean, for me, was an "impact" person. I can't express my sorrow, in your loss. He truly was my mentor. He, first of all, took me to every JHawk BB game we wanted to see! He always had time for the local kids. He helped me thru college with the jobs on the Chip truck, and was always there for me. Jimmy Adornetto and I were just talking about him last week....great memories. Only regret is not seeing him in his final days...
