I had the privilege of being one of the Colonels that Marcia guided in getting the job done at AFMETCAL from 2000-2003. What a pleasure and fun time she was to be around and she would always have me laughing. She made coming into the office a fun thing to do. She loved her kids and grand kids and loved sharing stories about them and it was many of those stories that made you laugh. Barb and I send heartfelt thoughts and prayers to the family.

I did not know Marsha personally but she reached out to me a few years ago to be a Facebook \"friends\" as I am friends with her sister Gerri. Even though we never met personally I feel like I knew her. I wanted to meet her this year when she came here for a visit but that visit never came. My thoughts and condolences to your family, I know she will be missed.

I was very shocked and saddened to learn of Marcia's passing. I will always remember her bubbly personality, her big smile and her laughter. As Col. Bledsoe so aptly put it, Marcia made it fun to come to work, not just for him, but for the rest of us AFMETCAL employees, every time we needed to drop by the commander's office for something. She was great to work with and I enjoyed the years we shared together at the old AF Base. She will indeed be missed by many.
