Our thoughts and prayers are with the Steen family . I have so many memories of Oren J, Leona, Ida, and the rest of the family from the annual Keller reunions. Those memories come to mind often as I get older. May God Bless You at this time of sorrow.

I have so many memories of Leona. I remember her and Arletta sings together. I remember going to the Hanover Methodist Church with the family. Arletta and I went to school for 12 years and then on to Ohio University for one year when she quit to marry. Both families along with Gary Conners' mother drove us back and forth to college. Arletta was the reason I went to OU. We were in the OU Choir that freshman year and often went to church in Athens together. The family was dear to my heart. Farewell Leona. God Speed.
