Phil was a very good friend while I was in high school. We had so many fun and crazy times with together. There was never a problem with us because we were always kept in line by Jim and Doris..I know the years have passed and we lost touch, but those years will always be very special to me. I'm so sorry for Phil's family and his grandchildren. I know he will be missed. Special prayers for Doris , Becky, Christina, Tim and Christopher.
