Dr. Wine took care of many of my pets from a child until I was married. I lived close on Richey Road in Zanesville as I was growing up. Then when I was married, we lived in Roseville. I still brought my pets to him. Such a sweet man. Prayers to all.

I live in the mobile home park behind Dr Wine's veterinary office. When I first moved here in 2013 Dr. Wine took care of my little Yorky, Mia up until I lost her. He and I both knew that she had cancer but he did all he could to make her life as good as it could be. And I appreciated that very much. He will be missed by so many people, his family, his friends and his clients.

Condolences. I knew Dr. Wine as a child as he was the vet for my beloved cat Bells (who lived to be over 16 years old and who passed away when I was in my early 20s). He cared for animals and liked to joke and talk to us when we took Bells in for his check ups. He knew us too because we also lived on a farm. I hadn't seen him in so long as I moved to England but I always remember when we drives past the vet clinic just outside Zanesville.
