My deepest condolences to the Erwin family. May you find comfort in the beautiful, words found at Revelation 21:3 & 4, where God promises us that He will soon eliminate all pain, suffering and death. While we wait for this promise to be fulfilled, may the fond memories of Max comfort you and ease your pain.

Thank you for being my brother, whether it was good, bad or indifferent our lives have been filled with numerous memories which I will treasure forever. Saying I love you seems so inadequate but the love shown and felt between us as a brother and sister fills volumes. Thanks for being not only my brother but a good friend. We were 9 days shy of being exactly 6 yrs apart and through the yrs. we shared birthday cakes, dinners, etc., raised our kids together, laughed, cried, argued and made up but we're family thru it all. Will miss you but never forget you! Love ya forever and ever to infinity and beyond! Your 1 and only-----Sis.
