So sorry I didn't find out any of this until too late! We can't get paper delivered and miss a lot of the news. The last I knew, Pauline was in hospital at Cambridge. I have missed the times spent with her. Always enjoyed her stories and sense of humor. I am so glad Uncle Gerald (John) found her. He deserved those years he was given with her and was so devoted to her happiness. Heartfelt condolences from all our family to all of yours.
