To the family of Bryce Samples-Bryce was the manager of Computer Operations at the Newark Air Force Base in the early 1980's when I worked there.He was very conscientious about his work and was well respected by everyone in Computer Operations in SC. Later,I worked with him in another area and heard some very interesting stories about he and his brother's jobs as EMT's.I know he will be greatly missed by his family,Mary Sue Felumlee
