Mrs. Tina, My prayers are with you and your family. I always admired how you stuck by his side every time he got sick and never gave up on him. I'll never forget the times my grandma would tell me Mr. Keith came and prayed for her when she was sick and he was going through his sick days too but you'd never know looking at him. He always smiled through it all. I wish I could make his homegoing service Monday but I'm there in spirit.
