To my dear friend Cathy and her family. I am so sorry for your loss. They say it gets easier with time, but I don't believe it does. Hold onto each other and hold dear the memories of the times you spent together. I know what it's like to be Daddy's little girl and suddenly he is gone from your life. Until you are joined together again in Heaven cherish the time you can share your memories of the good times you had with him. God Bless you all!

Cathy, to one of my dearest friends and her family. There are no words to take away the emptiness you feel in your life with the passing of your father. They say with time it will get better. You all must believe in your hearts that he is in a better place. No pain, no suffering. Keep the good memories you had together. Until you all meet again someday in Heaven! My thoughts and prayers are with you all!

My sympathy to the family and friends of Bill Cox. He was a fellow Mason and a friend of mine at Cyclops Steel (now AK Steel). He had the talent and wit to draw cartoons and place them by the time clock at the factory. Even the plant manager looked for his cartoons and wondered who the person was that drew them. Bill was a joy to be around and he will be missed by his family and many friends. Stan Baker
