Tim's family'. I used to live across the street from Tim and graduated with him. He was quite the entertainer and I didn't feel quite as is adequate in Chemistry and Physics classes with Tim and his sidekick Mark there as a comic relief. He really had a heart of gold and am so shocked at his passing. May God grant you all the peace and comfort to get through the days ahead.

I find this so hard to believe. Tim was always so happy go lucky and goofy. He loved to pick on me at Lakewood during band but was always so sweet once he became my Sister's Brother in Law. I feel so bad for the entire family and all of his friends. He will be remembered fondly by many people including me!!
