To the family of Jon McCarty, We the former players of Ideal Transportation Semi-pro basketball team want to thank Jon for being an excellent teammate. Jon, along with Marjorie Baker, and myself sponsored us during the 1975 Gold Medal and Crooksville tournaments. We called ourselves McCarty Builders because of Jon, my mom and dad's background in house building. Jon played this year and our second year also when we became Ideal Transportation. After the games those years Jon and Forty Kovaleski would take turns riding with my mom to take me back to O.U. Athens. So Jon when you get to Heaven make sure you look up many of our Ideal Transportation Family, Friends, and Fans. Player-Coach Randy Lincicome
