We were so sad to hear about Bob. Both your dad and mom always treated us like family. We'll never forget many years ago when we were up against a deadline and had to move on Thanksgiving. Tim invited us to your mom & dad's for Thanksgiving dinner. Your mom & dad graciously welcomed us, and you all made us feel like part of your family. It was a wonderful day and we felt so welcome. We will remember the times camping and boating, too. We have many great memories. Take care!
