If I needed someone to talk to You always lent an ear. If I needed a shoulder to lean on Yours was always near. If I needed words of encouragement You always came through for me. If I needed someone to listen There you would always be. If ever I needed anything You would give until there was no more. Holly, you are the true meaning of "That's what (BEST) friends are for!" I love and miss you so much my friend ~ I really miss your laugh! ... Amanda, I love you 3!
