I always knew him as Uncle Steve, as his niece Martha Lacy and I visited with him often. I had the pleasure of knowing Sylvia through Martha and still have fond memories of our fun times together. My father, John Wright ran oil on his farm for many years and held a high respect for Uncle Steve. My thoughts and prayers are with all of you and I know my bff Martha, whom I miss everyday as well as my father are glad to great Uncle Steve at the pearly gates and welcome home to a better place and life everafter.

I did not have the privilege of knowing Col. Stevens but his bio sounds like the classical citizen soldier Cincinnatus. Another American hero.
