God blessed us so much with such a man. Words can not express how everyone felt about Donnie. One in a billion.. there are no substitutes. Best assurance we all have is the consolation we all know where he is and I'm sure he's nicknaming the Angels and telling stories entertaining the saints. There will never be another Donnie and prayers going out to Mart and all our family.. people's hearts were broken all over by the news without a doubt.. All our love Jim, Pam, and Tarek
