Sweet Carolyn, It is still so hard to actually believe that you are gone. You are loved by so many, especially your Granddaughter. I couldn't of asked for a better Grandma than you. I know you'll be watching over her. You had such an impact on her life, and she will carry you in her heart always. It is so hard not to be selfish, but we know you are in a much better place. A place where all your hurt is gone. When I look at your Granddaughter I'll always see you. You'll never be forgotten Carolyn. Love you always.
