May good memories surround Letha's family & friends. I was one of the many, many children she kept fed back in the day. I remember her teaching me how to properly wash dishes at Toboso when I was a student volunteer. A kind woman. Truth be told I don't believe I ever saw her outside of that Toboso kitchen. She was amazing & will be remembered fondly.

The times I shared with her down in Toboso just hanging out for lunch and talking about all the Millers were very special! I am so excited for her to be with her family now but so sad that another bridge from my past is gone from this world. Smiles lifted to all the MILLERS.
