My Dearest Cindy, we spent so many fun and crazy times together! My heart is truly saddened that you are no longer with us. Yet through the sadness I find a wonderful memory of the times we would set up at nights talking about things young girls do. I will always cherish your warm heart and loving smile! Love you!

To Pat And family, I am so saddened by your loss of Cindy. We may not have stayed close friends but we were childhood friends and I have many memories of that. She went thru so much as a kid and I remember the accident she had and visited her in the hospital. I am sure she gave a good fight if I remember anything about her. She will be missed and is gone too soon. Love and prayers to your entire family.

I had a dream just yesterday not so long, not so far away. I'm like a dove up in the sky, a dream of dreams for I can fly. I fly the currents, ride the wind. I pray this dream will never end. Never have I felt this free, the world is at my feet, for the grace of God I have come to meet. Angels frolic up above inspired to sing with all God's love. This is how I imagine Cindy must feel. She was such a courageous and loving friend. I will miss her greatly. I'm so sorry for your loss.
