I remember Marilyn as a freshman at WC. We were in Friends' Hall together and in many classes and the same sorority. Marilyn and I reconnected online after our classes' 50th Anniversary. When I fell and broke my ankle and was a shut-in for a long time, Marilyn was a devoted email pal. I remember how faithful she was to keep in touch, and it helped to get me through the healing process. Prayers for all of Marilyn's family. Jean Martin Raleigh, NC

Dave and Family, Marilyn was a dear and faithful "pen pal" via the internet. We met at WC and reconnected prior to our 50th anniversary celebration. It was fun to hear about her life and what she had accomplished since our college days. I will miss hearing from her. The picture of Marilyn is beautiful. Love and prayers, Jean Martin, Raleigh, NC

Mrs. Berger subbed in our room many times at Madison Elementary in the special needs unit. She loved the kids and we all loved her. I have many fond memories to hold close. I saw her ten years or so after I left that job and she still remembered me! Her love of all and especially her family was so evident. She will be fondly remembered. My thoughts and prayers are with all of you. Beth Keck
