My dear friend Donna, The loss of a loving parent is one of the hardest things we will experience in this lifetime. I truly know your dad appreciated all the years of dedicated loving care you gave him. Time with an aging parent is one of the greatest gifts you can give and you gave it freely. As a caretaker for my mother with Dementia it is not always sunny but I truly cherish each moment, for we are all here in a blink of an eye. God Bless you and continue to watch over you. Jenny
