Nett and Mary Jane, So sorry to hear about grandma. Loved her so much. I can remember so many good times when we were kids and I stayed at your house. I can still remember her yelling your name through the house. Seemed to be her thing. That was a long time ago but I still remember it clearly. She was so funny. Spoke to Maria today and she wanted me to let you know she is thinking of you also during this time. Keep all the good memories in your heart and know that she is in a better place and we will see her again.Love you both so much!Love Christal
