I only had the pleasure of knowing Bob for one day, but what a special day it was for the both of us. Bob touched my heart, like no other, and I will never, ever forget him, or his wife Elaine. He was just an absolute pleasure to be with, and I have thought about him and his wonderful family every day since we met. Bob, you are a true angel now and I know you will be by my side on that very special day next week. You will always hold a spot in my heart.
