my thoughts and prayers go out to his family. may god help be there to help u through ur rough days in life.. i loved carl.. i knew him all my life.. i loved when him and his wife would stop by when they were in town.. i could be anywhere in the house and soon as i heard his voice i came running to see him.. i love to hear the stories him and his wife would tell about traveling and camping.. i loved his voice and to hear him talk. i would sit on his lap and just listen to him. he wasnt much of a talker. he left his wife do most the talking but he also talked with me. then i got to big to sit on his lap. so he always left room beside him for me to sit... im heart broken to know he is gone..
