I just heard about Mary Beth's passing so I hope you are still able to read my note. I grew up with Mary Beth and went to St. Pius X Elementary School with her through 8th grade. She started out at my high school, but I hadn't realized she transferred to Wintersville. I later heard she moved to the Zanesville area, but didn't know her married name. I would have loved to reconnect with her. She was a very good friend to me during those difficult 7th and 8th grade years. A truly beautiful friend! I remembered her birthday because when we were in first grade her parents took a lot of our class to the theater in downtown Steubenville to see Babes in Toyland. It was such a treat that I've never forgotten. please accept my sincere condolences for your loss. I was blest to have her in my life. Tina Longo Stoffer, Coshocton, Ohio

Mary Beth Lacy was an incredible lady. She was a tremendous help to all of us in the Coshocton City School District with our self-funded insurance plans. I remember that during negotiations of a contract which centered around our insurance coverage, Mary Beth was there to help both sides by answering any and all questions. She was never too busy to handle any concerns we had at any time. You will be truly missed, Mary Beth. You made the world a better place because you were here.
