Dear Nicole, So sorry to hear of your dad's death, but it's comforting when the suffering ends and eternal life in heaven begins. He was a sweet man who simply adored you. He was always eager to brag about his little girl. If there's anything I can do for you, Nicole, please track me down. I still work at the pediatric office and would love to see you again. Take care, sweetie.

Dear Family: I am so saddened to hear of your loss of Frank. We all have such good memories of him as a classmate. The last class reunion that I attended Frank sat at our table and we had such fun talking about the past and some of our happenings in school and telling tales on each other. He will certainly be missed by us all. Please accept my sympathies.
