Born May 15, 1946 in Newark, Ohio he was a son of the late, Willis W. and Lula M. (Toothman) Dayton and was a 1964 graduate of Frazeytsburg High School. After high school he joined the United States Marine Corps and served in the Vietnam War. He received several medals and accomplishments and received the Purple Heart. Judy, Teresa, Julie, Angie & Family, Please accept my heartfelt condolences for your loss. Terry took me under his wing in the early 1990's when I first joined GE Electromaterials and I considered him to be a mentor and friend. Terry took an interest in me and helped me through some rough times, both personal and professional. I always valued his unique insights into people and situations and have rarely encountered anyone as perceptive as he. I will especially treasure the wit and laughter that was simply "Terry". Try to remember the good times, as will everyone who met him.
