I really don't know what to say Aj. I will never forget the days we spent together. August 10, 2014 will always be a dark painful day god me... You called me on June 25 and said you would come see me this summer, I didn't know that was the last time I'd hear your voice. Why did you have to go? There was so many people who cared. I needed you, your help, your support, your caring. I hope you think of me up there, I hope Jesus tells you my prayers up there cause you and your family is in them a lot... I'll see you one day. I love you.
