The memory of a good person is a blessing. Proverb 10:7 I was so blessed to of had you as my grandma, and I continue to be blessed to have you as my angel. I am grateful to be the person I am today from the guiding and lessons I was given by you and Grandpa. A day will not go by that I won't think of you. But I know that God has a special place for both of you, and I can't wait until that blessed day where you will show me around. I love you so much!
