Blessings to your family. I truly enjoyed the two short visits I had with Irene and will expect an organ solo some day in Heaven.

Miss Irene: You came into my life four years ago, and I have been so blessed that the Lord saw fit to allow your light to shine in my life. You shared your home, your life, your love, your spirit when we were only acquaintances, and I have grown to love you as I did my own mother. I thank you so much for the moments spent with you, and for introducing me to the man I love. Most will say "rest in peace", but I think you are way too busy for that. I will say, see you later, watch for me...
