I am a Florida native, Howard Augustine, and I do not know the family. But that being said, reading this past week, all I could find about this wonderful couple has been inspiring. My condolences go out to the entire family, it is hard to lose one's parents, this I know first hand. But this is also a time for hope and joy, as they leave behind so very many grand and great grandchildren to carry their legacy forward, for generations to come. Your parents are surely with their Maker this very day.

Your mom and dad treated us like family (my husband is Ebba Lauer's sister), helping my husband out especially when he needed work done on his car or to borrow a tool. I am proud that I knew your parents and saddened that they are no longer with us however they are now out of pain and in a better place. Our sympathy and thoughts with the family during this time.

It saddened me to hear that we have lost the best two people/neighbors in all of Nashport. I have known Kenneth and Helen Felumlee for over twenty-five years. Kenny taught Sunday School at NIUM Church, where I attend. Kenny could fix anything mechanically wrong with my car or lawn mower anytime it needed and never charged me an arm and a leg. Two excellent Christians. I am honored to have known most of the Felumlee Family. RIP brother and sister in Christ.
