God looked around his garden and he found an empty place then he looked down upon the earth and saw your tired face he put his arms around you and lifted you to rest, he knew that you were suffering and in pain, it broke our hearts to lose you but you didn't go alone for part of us went with you the day God called you home. Rest in peace.

My sympathy to David and family. Janice was a wonderful person who made a big difference in the lives of many with disabilities. She loved animals, especially dogs, and hoped to run her own shelter. What a kind heart she had. You will be missed. Until we meet again friend.....
