Jerry Dale, Clark, Cindy and Family, My heart goes out to you in this difficult time. I know exactly what you are feeling as in the last 18 months I've lost:-5 Aunts1 Uncle1 Cousinand 3 weeks ago on October 31, 2013 a Father. One thing that helps me cope is to know that they are all in no more pain and now they have a new, perfect body and are walking on the streets made of gold with our Savior, Jesus Christ. I know for a fact that Aunt Carol has been preparing for this day for a long time. At Dad's Funeral, I placed a smooth stone that I had carried for years in his hands. To me, this represented that if you throw that stone in a body of water, many ripples are formed. Let those ripples represent all of the people that your Mom has touched over her lifetime.GOD Bless you all.
