I have thought of Sandra and your entire family these past few weeks. To say this is a shock is an understatement. I know how much you will all be missing her as she was THE life of Every party. We had so much fun. One of the best pics I have is one she took of me laughing my head off,,, literally. She had a way about her that was peaceful and kind. I am so sorry for your loss. May you be blessed in this time and know that God has a better plan for all of us. Much Love. Always.
