When I think of Mary, one of the first things that I flash to is her talent for seeing the beauty in God's simple things. She always astounded me by taking things right from the field and turning them into stunning groupings for the side table at Mt. Pleasant. I particularly remember wondering how in the world she would top her cornucopia from the prior year---and marveling that in fact, she had! Her faithful service at church, at home, on the farm, and in the community will be quite a legacy for you all to live forward. I also have such good memories of the soup suppers and ice cream socials that Willard and she hosted for so many years---and how she managed to carry on that hospitality when it was just her at home. So that is another piece of "Mary legacy" for you to "live forward". Blessings on you all as you grieve, but especially as you find the way that you will celebrate her life.

I remember as a kid we got all of our milk from the Gault's. It was interesting watching them corral the cows in when it was milking time. We wanted to watch but practically needed a stool to stand on. I remember all the cats licking up the spilled milk when I was old enough to drive and go get the milk by myself. I can close my eyes and still remember the smell. Nice memories!! Extremely sweet gentle people!!!! Thanks for the sweet special memories!

My Grandmother Cecil Mae Gadd and my Great Grandparents, Amy and Clarence Gardner were wonderful friends and cousins to the Gaults. Mary will be missed but I know she is happy to be with the love of her life once more. In sweet Remembrance,
