Dear Sister Effie and family, To say we were all shocked at Brother Gary's passing is a huge understatement. I still am waiting for the call he said he would make to me and catch myself hesitating over his email address when sending out prayer requests. He was a vital part of many prayer teams, including my Children's Ministry. I already miss seeing him at the Tabernacle services. His mission was to spread the Word and to be of comfort to others through prayer and healing. His legacy will continue. Please know our love and prayers are with you every day. May God wrap You in his warm embrace and lift your spirits as He gently reminds you that Gary is where he wished to be and where you will join him once more in Eternity. He truly was a gift from God to many of us. His Spirit Man was so evident in every healing service. He prayed for me for healing from pneumonia and pleurisy. The pain left immediately. I will truly miss him along with so many others whose life he blessed. Sister Effie my heart goes out to you and your family. Dear Family and Friends, I met brother Gary on line through the prayer network 2 months ago. I shared with brother Gary our plan to run a Global Prayer Summit in Sydney 2016, he was so excited and God has given him a message for us to share. In first message to me 14/5/2013 Gary said: "LORD LET THE TRANSFORMATION BEGIN IN AUSTRALIA, AND SPREAD TO THE FOUR CORNERS OF THE EARTH. IT SAYS IN EPHESIANS 4, UNTIL WE ALL COME INTO THE UNITY OF FAITH. PERSONALLY, I DON'T FEEL JESUS WILL RETURN FOR HIS CHURCH [SAINTS OF GOD] UNTIL THAT HAPPENS." and on Fri 17/05/2013 1:52 PM God gave brother Gary a message for me and my husband Bjorn, brother Gary said: "I bear witness to what I read. and I believe from the spirit of God, I can say, it is inevitable that soon a Revival will break forth out of Sydney, Australia, that will spread far and wide across the World. The latter rain is going to fall heavy on this revival, and those that are involved with it. Amen Brother Gary you were an inspiration to us during this short time and you held us and all the prayer brothers and sisters in your hearts, we love you and we never forget you and if the summit happens in 2016 we will dedicate a time to remember you and say thank you for believing and speaking the word of God to us about the summit. Dear Effie, thank you for sharing Brother Gary with so many of us who were blessed by our email exchanges with him as we joined in prayers for so many who were hurting and in need. I appreciated his kindness and sincere caring for all of us. None of us were expecting this sudden news because he was just off on a trip to visit family. Well, he really IS off on a trip visiting family now, isn't he? Best of all, he is with our Lord Jesus and Father God. We know he will be there to meet each one of us when it's our turn to "go visit our family". I have plenty in heaven waiting for me too. Someone said, "A sunset on Earth is a sunrise in heaven." If we could all reach the level of faith in the power of prayer that cousin Gary had, the world would be a better place to live. We will miss you brother. I will always remember his phone calls when he would address me as brother cousin Harley. We always laughed and he would end the call with a prayer. It always lifted me up and made my day. I love the way he would refer to you as "bone of his bones"... how he loves you! He will be first in line to greet you when you go to Heaven! Oh how he loves people! He was online late so many nights sending out prayer needs and updates! How he suffered when one of our "children" passed into Heaven...but I know that they all surrounded him as he entered those pearly gates, and greeted him with hugs! I can see him playing with the children he loved so much! I miss him so much, his presence was felt in our home every night as each prayer need came in...but we will meet him again as he greets each one of us when we arrive! Sister Barb
