I am so sorry to hear of the loss of Betty - I know she was an important part of my family's life since Mable and my mom, Lida, were the best of friends. Your family is in my heart and prayers.

Gary and Julie: I will always think of Betty with fondness and affection. I, too, remember her beautiful smile and how much she enjoyed her Pepsi or coffee! I remember taking walks with her in the hallway and seeing her smile when we talked about the two of you. You are in my thoughts and prayers.

Gary, Julie, Michele and family, I have many fond memories taking care of Betty. I will always remember getting her a pepsi. She would tell me stories about when she drove her bus and would take care of her kids riding on it. Sometimes it would take a while to get her to smile or laugh, but when you did her smile would light up a room. May you all find peace in her passing. God bless you all.
