Heart broke to hear of Pearl's passing. Memories have flooded my heart and mind since hearing of her home going. She was more like family to me than a neighbor and friend. She was always there and now she will be there to greet us when we have our home going. After mom and dad moved to Michigan, it was Lewis and Pearl that were there watching out for this single gal living down the lane. The worse part of this is I want to be there and will not. Know that you're in my thoughts and prayers. Love you and miss you Pearl, but I know that you are in the arms of Jesus.

Once I saw the picture of this saintly sister, so many great memories rushed into my head! Many, many times at Ludlow Falls campground, her pleasant smile would make me know that everything was ok. Although I didn't know her well, there was a kind and kindred spirit that she carried. God bless her memory and my prayers are with her family.
