Vicki was an inspiration to not only those thousands of lives she touched in Muskingum County but to younger Extension professionals like myself. She touched lives throughout Ohio and the nation with her work in 4-H Youth Development. I know it seems hard now to think about all the memories but know that she impacted many, many lives and her legacy lives on through those lives. I feel honored and lucky to have worked with Vicki over the past 7 years and know that I am truly blessed to have been able to learn from her wealth of knowledge. May God keep you close and help you through the coming days.
