I am glad I had to opportunity to get to know Ronnie much better in the last couple of years. He had a great since of humor, though, I must admit I didn't always get the punch line till his face told me, "hey Kathy you missed it". He and I had discussions about world events and local issues. He was quite a guy. I liked him and will miss seeing him at the bowling alley with Cindy. "God be with Cindy and the family. Grant them comfort and the peace that trusting in you will give them. Amen"
