Weldon, Peg, Terri, Warren and family, What do I say that you don't already know? Kim and I were best friends for many years and I am missing her already. Although we didn't talk or see each other as often in our adult lives, we always knew that we were there for each other. My heart is hurting not only for myself but for you, her family, as well. I am praying for God's love and comfort to reach out to each one of you at this time of sorrow. Love to all!
