It is a sad day for us but there is one heck of a celebration going on in heaven. Can you imagine the Joy shared by mom dad Steve both sets of grandparents and lots of aunts and uncles. I like to think of it like this. Tony grew up in a house on Ashcraft Drive. He moved into an apartment in Pataskala. Now he has moved once again. His new home is his permanent home, glorious and filled with unfathomable joy and most importantly LOVE. I like to remember that I am not a physical being I am a spiritual being. My time here on earth serves only one purpose and that purpose is to love..love the earth, plants and animals and all human beings...unconditionally. I am sure Tony would agree with me when I say may you have peace and love in your heart always. Love, Paula
