Hi Daddy, boy do I miss talking to you and going to lunch. I hope you never thought I was in a hurry, because I wasn't- I loved the tues and thurs we were together. Everything we do at the house we always wonder what you would say- we have new porch furniture, and we even talked about how you would have liked it. Every time I hung out clothes this winter I thought of you! I am just so glad your heart and body is not broken anymore. Savannah still remembers crossing her arms like you, and I can't even IMAGINE what you would think of Spence now- he is a Pisto! I miss you so much, but wouldn't wish you back to this world for anything. I'll see you someday, I love you.
