It is with much sadness that we're sending the entire family my deepest, sincerest and heartfelt condolences to you all. I just checked my email and saw the notice and felt like I got kicked in the heart by a mule. As you already know, Mary was deeply loved by all and will be missed so dearly. Every time I play a song I think of her and the influence she had on me and my music. I love you all. LOVE and PRAYERS to you.

Uncle Ed, Jamie, Scott and the rest of the family, I know Aunt Snooks has been sick for quite some time and now the Lord needed her pain to go away. So just remember she is no longer suffering and has reunited with her parents and two sisters. One day you guys will join her in her new life as well as her loved ones. I will cherish all the memories I have of her which I don't think I can go without a curse word in any of my memories of her. She was a loving, caring, funny, and well spoken aunt. She may be gone from earth but never from our hearts. Love you Aunt Snooks!

Aunt Snooks I'm sorry that I didn't make it down to see you before your passing. I will miss you very much as will everyone else. Your jouney here on earth has come to an end and you have left a wonderful impression while you were here. But you have gone to a better place to be with mom, Lib, grandma and grandpa. You will forever be in my heart and I hope to see you again one day. I pray that our family remember the good times they have had with you, I will. Love and miss you.
