Dear Mrs. Eloise Lothes, My memory of Steve is from my childhood (grades 3-5 - the early 60's). The bus stop was in front of your house. Steve was one of a group of very active boys who rode their bikes all around Harbor Hills, played baseball, football & basketball, went to cub scout meetings, were classmates at Jacksontown Elementary and generally had a lot of fun together. I always enjoyed Steve's sense of humor. He could make us all laugh. Please accept my sympathy for your loss. I pray that God will comfort, console and give you and your family peace during this time of grief.
