Dian, Rich, Steve: So sorry for your loss. At the same time, I consider the time of year, here at Christmas, it seems hard to work thru this type of loss. And then I think, she received the best Christmas present anyone could receive. Christ called her name, reached out and took her hand. Today she is walking with Jesus, and reunited with Dick and all those family members who have gone on before. I bless you with double portions of His peace and comfort through these days, and know that she loved you very much. I remember her as a much younger Edna, visiting around the neighborhood, smiling. She was a special lady. God bless you at this time.

The Welsch family are such great people and I feel blessed knowing them. I have been to the Welsch home several times, and one such visit stands out. I was in a Coshocton County EMS Ambulance coming back from Newark, so I pulled in the back yard and phoned Edna and asked if she knew there was an ambulance in her back yard, she said no there is not, I kept on and said you better look. When she opened the door, I hit the lights/sirens, got out and told her. I think there is an Ambulance in your back-yard. An enjoyable memory, I hope of Dear Edna. Don Stroup-CCMH Lab-Coshocton
