To Andrea's family and friends.I was so sorry to receive email from a high school classmate of Andres's entrance into Heaven. It warmed my heart to read from those who knew Andrea in recent years and to know Andrea accepted Jesus as her Savior and during these difficult days, weeks, months and years ahead may you find comfort that those who know Jesus will have a great reunion. Andrea and I grew up together and lived a block away, I could see her house from walnut st. in coshocton. We were best friends in grade school and had many sleep overs and so many fond memories. We had the priviledge of seeing each other at a class reunion a few years ago. May Andrea give Heaven a face to each of you. Ann Bundy Proctor

Matthew, my heart goes out to you in the loss of your Mom. You know that she was your biggest fan - you have made her so proud, and I know that her love will sustain and give you purpose as you pursue your God-given talents. Andrea came into my life many years ago, at one of the most difficult periods in my life. She became a wonderful friend, and though our paths diverged several times, the bond of love and friendship kept us close. Andrea had a great spiritual hunger, and she and I shared so much. One of the greatest joys of my life was to see her come to a saving knowledge of Jesus, and to grow in the grace and knowledge of God. As she told me one of the last times I talked to her, I know that I will see her again, and we will be able to experience heavenly peace for eternity. Richard joins me in fond and loving remembrance of Andrea. She was a true and loving friend to both of us.

Matthew, My thoughts, prayers and love are with you. Your mother meant so much to me. Over the years she was more than a boss; she was a friend and a dear sister in Christ. We shared many good times, experienced hard times, laughed, cried and prayed together. Knoll Group became my second family. For that I will be eternally grateful. Your mother will be sadly missed by me and Don. Love, Faye
